9:00 a.m.-3:30 p.m.

Where: MCI Sales and Service Center
4120 Point Eden Way
Hayward, CA 94545

LEARN

More about MCI, NFI brands and our state-of-the-art maintenance and repair

RIDE

The all-electric, super-accessible D45 CRTe LE coach and our J-Series models

EXPLORE

Sustainable solutions to take you further

Bring your teams to meet ours. Enjoy lunch, meet MCI's top leadership along with supplier representatives, browse vendor exhibits and check out new 2020 models and pre-owned coaches.

Tour our sales, service and training Bay Area center to see enhancements that represent an investment of nearly \$3 million in the San Francisco market—with the capacity to provide comprehensive service from parts, maintenance and warranty work to complete coach refurbishing and retrofits.

Stay for our expert panel member discussion on upcoming electric models.
